Re: Additional staff for Madhugiri Town Municipal office.

Sir,

In forwarding, herewith, a copy of letter received from the President, Town Municipal Council, Madhugiri, on the above subject, I have the honor to state as follows -

This Town Municipality has been at present classified as a III class Municipality, as its normal income is between Rs. 10,000/- to Rs. 20,000/- and the marginally noted additional establishment has been sanctioned according to G.O. No.L. 811-821/M1. 16-35-82 dated 25-7-1936. It is now stated by the President of this Town Municipality, that the work is increasing day to day and that the present staff is quite inadequate to cope with the work. Besides, the income of this Town Municipality is more than Rs.20,000 and that the Municipal Council have resolved at their meeting held on 31-3-1945 that the Municipality be treated as class I and the establishment sanctioned in G.O. referred to above, be sanctioned. The normal income of this Town Municipality for the past three years is as noted in the margin*. The income of this

this Municipality, has of late improved, due to special receipts, by the sale of lands belonging to the Municipality.

In the circumstances, stated, I request that sanction of Government may be kindly obtained in the matter.

Letter No.H.C.109/44-45 dated 23-4-45 from the President, Town Municipal Council, Madhugiri.

Subject:- Additional staff for the Municipal office.

I have the honor to enclose herewith a copy of the resolution passed by the Municipal Council in their meeting held on 31-3-45 on the above subject and to state as follows:-

The work of the Municipality is increasing from day to day and the Council is of the opinion that there should be adequate staff to cope up with the work The income of the Municipality is more than Rs 20,000/- and so has to be considered as a first class Municipality as laid down in Appendix L of the Municipal Manual and Government have directed therein that the staffnoted in the appendix should employed as circumstances permit. The Council have now resolved to implement the orders of the Govt..

The present staff consists one Head clerk on Rs. 25-1-30-1-40 and a second clerk on Rs.20-1-25. I have found during my experience here that it is absolutely impossible for these two clerks to efficiently manage the correspondence of the Municipality and in fact the maintenance of essential registers and proper custody of disposed records has suffered to a large extent due to this deficiency. There is also a lot of typing work to be done in the office. The deficiency in the staff has had the unfortunate effect at times, of the executive not being able to fully carry out the resolutions of the Council. Therefore the need for strengthing the present establishment is imperative. The Council had not employed additional staff till now because the financial position was not quite sound. The same

same has now improved considerably and so the Council desires to bring the establishment to the level prescribed by Government.

The Council have now resolved to increase the strength of the office establishment as follows.-

1. Head clerk in grade 40-5/2-50
2 Two clerks in grade 30-1-35
3 One clerk on 20-1-25

The financial position of the Council is quite sound to meet the additional expenditure involved and necessary provision has made in the budget for the year 45-46 which has already been submitted in this office No.H.C. 105/44-45 dated 15-4-45. The employment of this additional staff ~~will greatly improve the efficiency of this addi-~~ ~~tional staff~~ will greatly improve the efficiency of the office. I therefore request that sanction may kindly be accorded to the resolution of the Council to employ the staff with effect from 1st July 1945.

Necessary proposition statement as required by Civil Account Code Vol.1 are also herewith submitted.

I request the favour of very early orders in the matter

Re. Conversion of the Madhugiri Town Municipality to Class II Municipality and sanction of additional staff thereof

In continuation of this office letter of even number dated 13th June 1945, on the above subject, I have the honor to forward, herewith, in original, the further reference received from the President, Town Municipal Council, Madhugirim stating that the Town municipality may be classified as II Class Municipality as the actual income for the year 1944-45 is Rs.21,881/- and that the income for 1945-46 would not be less than the previous year. The normal income could be safely taken as not less than Rs.20,000/- and if this is accepted the Municipality is entitled to be classified as II class municipality The scale of the increased establishment would be one clerk on Rs.40-2-50 in addition to the present staff.

The President has also explained that the previous recommendation for class I municipality was a mistake as an old edition of the M.A.M. was looked into and that the later amendment was lost sight of.

In the circumstances stated by the President, I request that sanction of Government may be kindly obtained to classify this Town Municipality from class III to Class II and to incur the additional cost thereof regarding the extra staff sanctioned to Class II municipalities out of the closing balance.
